

Friends of Tucson's Birthplace presents

6th Annual Membrillo Fest

at Mission Garden

Sunday October 21, 3 – 5 p.m.

Mission Garden is reviving southern Arizona food traditions, including the venerable quince. Learn how to make the traditional Sonoran-style cajeta de membrillo (quince bar dessert) from "Madrina del Jardín" (Garden Godmother) Josefina Lizárraga. Then Jesús García, Director of the Kino Heritage Fruit Tree Program, will speak about the history of quince and its importance to the gastronomic traditions of southern Arizona and the Sonoran region. Come and enjoy Mission Garden, refreshments, and live music, and help us celebrate our cherished local food traditions!
